Pet Panels

Constructed of powder coated tubular steel, HW Brand Pet Panels offer these advantages over other brands including: no supports for jumping, no grips for climbing, no possible injuries and no growing disorders.

Slotted holes in the frame allow for easy installation and future expansion. Easily installed optional roof package also available.

Each panel is 5/6" high, 3/3" wide; spacing between vertical spindles in two sizes 3 1/4" or 2 5/8".
